

Governance & Leadership Symposium

Uniting Club Presidents and Executives Pursuing Effective Club Leadership and Governance

Wednesday, April 16, 2025 • A CMAA Virtual Event

Founded in 1927, the Club Management Association of America (CMAA) is the largest professional association for managers of membership clubs with more than 8,100 members throughout the US and internationally. Our members contribute to the success of 2,600 country, golf, athletic, city, faculty, military, town, and yacht clubs. CMAA promotes relationships between club management professionals and other similar professions; encourages the education and advancement of members; and provides the resources needed for clubs to operate efficiently and successfully.

Club Benchmarking delivers fact-based, actionable insight club leaders need to make informed decisions and our tools and services are built specifically for private clubs. Everything we do is grounded in data and research and we serve the full spectrum of club industry stakeholders staff, management, boards, committees, members, owners, and industry constituents including associations. Leadership teams across the country rely on Club Benchmarking to accurately assess and benchmark the financial and operational health of their clubs. Our proven Financial Insight Model™ and **Key Performance Indicators** are the cornerstones of a common industry framework for understanding club finance.

People Focused, Quality Driven. When you work with **KOPPLIN KUEBLER &** WALLACE (KK&W), you can expect an experience that will be centered around the well-being of their clients, the candidates they place, and the industry they love.
